

"PERTAINING TO RED DRUM"**CHAPTER 4 VAC 20-1400-10 ET SEQ.****PREAMBLE**

This chapter establishes minimum size limits and possession limits for the taking or possession of red drum by commercial and recreational fishermen. This chapter is designed to assure that Virginia is consistent with all federal and interstate management measures for red drum. The goal of these management measures is to perpetuate the red drum resources in fishable abundance throughout their range and generate the greatest possible economic and social benefits from their harvest and utilization over time.

This chapter is promulgated pursuant to the authority contained in § 28.2-201 of the Code of Virginia. The effective date of this chapter is September 1, 2021.

4VAC20-1400-10. Purpose.

The purpose of this chapter is to protect the spawning stocks of red drum, maintain the target fishing mortality rate, and to increase yield in the fishery. This chapter is designed to be consistent with federal and interstate management measures.

4VAC20-1400-20. Definitions.

The following words and terms, when used in this chapter, shall have the following meanings, unless the context clearly indicates otherwise.
