

FISHERIES AND OFFSHORE WIND

If you harvest seafood within or around the Coastal Virginia Offshore Wind (CVOW) project we need your input for developing a fishing monitoring plan to understand potential impacts to fisheries resources, economics, and habitats.

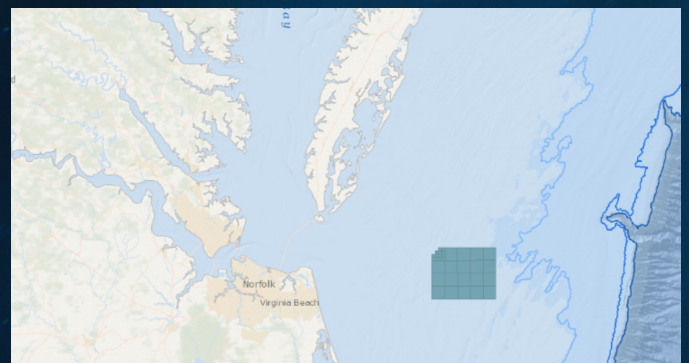

November 18 | 5 PM

Building 96

380 Fenwick Road

Fort Monroe

Agenda and call-in information will be available at mrc.virginia.gov

Contact Rachael Peabody at 757- 247-2269 or rachael.peabody@mrc.virginia.gov with any questions
