<p><b>PRIORITY AREA OF CONCERN:</b></p> <p>Need to increase young people's appreciation for the Chesapeake Bay's abundant resources.</p>	<p><b>PROJECT LOCATION:</b></p> <p>Chesapeake Bay on a Head Boat</p>														
<p><b>DESCRIPTIVE TITLE OF PROJECT:</b></p> <p>Head Boat Fishing Trip on the Chesapeake Bay for Norfolk's East Ocean View young people.</p>															
<p><b>PROJECT SUMMARY:</b></p> <p>The projected start date for this project will be July 2012. Norfolk Anglers Club is working with Norfolk's East Ocean View Community Center and its Summer Program to identify neighborhood youth to participate in a ½ day morning fishing trip on a head boat. Many of these youth are underprivileged and have never been on a boat. These young people would participate in the fun of catching fish and the benefit of being on a head boat with knowledgeable NAC volunteers and Community Center staff who will provide fishing and ecological information about the Chesapeake Bay. We project 40+ youth (ages from 8 to 14), plus 10 to 15 chaperones to participate in the event. The participants will be provided with transportation to and from the Community Center to Little Creek head boat location. The head boat will provide the bait and fishing equipment and NAC will provide the drinks and snacks. After the trip, NAC volunteers will prepare a picnic for the participants at the East Ocean View Community Center.</p>															
<p><b>EXPECTED BENEFITS:</b></p> <ol style="list-style-type: none"> <li>1. The young people will gain access to the Norfolk Anglers Club fishing community.</li> <li>2. They will have another recreational activity to enjoy and share with others.</li> <li>3. They will gain a better understanding of the Chesapeake Bay's abundant resources and will hopefully appreciate the need to protect these fragile resources.</li> </ol>
