**BRIEF EVENT PLAN SUMMARY:** The project will be held in August 2015. The Norfolk Anglers Club is working with Norfolk’s East Ocean View Community Center and its Summer Program to identify neighborhood youth to participate in a ½ day morning fishing trip on a head boat. These young people would participate in the fun of catching fish and the benefit of being on a head boat with knowledgeable NAC volunteers and Community Center staff who will provide fishing and ecological information about the Chesapeake Bay and discuss the Virginia Junior Awards Program. We project 40 to 45 youth (ages from 8 to 14), plus 15 chaperones to participate in the event. The participants will be provided free transportation to and from the Community Center to the head boat location. The head boat will provide the bait and fishing equipment and NAC will provide the drinks and snacks for the trip. Subsequent to the trip, NAC volunteers will prepare a picnic for the participants at the East Ocean View Community Center.
