DESCRIPTIVE TITLE OF PROJECT:

Sunshine Program Fishing Challenge Children's Day

PROJECT SUMMARY:

This year's project is an expanded version of the annual Sunshine Program Fishing event. Each year, this program becomes larger and more established in the community. The program includes the Salvation Army of all chapters in the tidewater area, Church groups and higher learning programs in our event. For the past years, the Sunshine Program has taken over 120 children on 4 head boat trip into the Chesapeake Bay and 1 trip to the Ocean View Fishing Pier. Supporting the continual evolution of an established charitable fishing program such as the Sunshine Program, increases the communities' awareness, knowledge and concern about the ecology of the Tidewater area.

EXPECTED BENEFITS:

1. Introduction of children to the fishing community.
2. Promotion of positive recreational activities for "at risk" children and adolescence.
3. Aiding children in understanding the Chesapeake Bay eco-system.
4. Encouraging mentoring contact between fishing adults and children.
