

Marine Resources Commission Procurement Information

The Commission is a State agency headquartered in Newport News, Virginia. The agency has approximately 150 positions, with about one-half of these positions located in the agency headquarters. The remainder of the positions are field positions, and are located throughout Tidewater Virginia – to include Hampton Roads, the Eastern Shore, the Northern Neck and the Middle Peninsula areas of Virginia. These field positions are primarily Marine Police Officers, but also include some Surveying Personnel and some Fisheries and Oyster Replenishment personnel.

Primary Commodities Purchased:
