For the past two years, my 10 year old son(Gavin) has joined in the fun of the youth fishing day put on by the Chincoteague Charter Boat Association. This has been a great thing for his mother and I, because I work 80 hours a week in the summer, and we have two other children age 1 and 3. It's very hard for us to make enough time for things that just he can do. With this event we felt comfortable letting him go out with an experienced fishing guide who is also a licensed captain. On both occasions, he had a great time, caught plenty of fish, and got excited about fishing. I hope this event continues and would like to even send my girls when they are old enough. Below is a short letter from Gavin.

Thanks
Dan Davis

Hi, my name is Gavin Davis. I am 10 ½ years old. I really liked the youth fishing day. It was a fun experience learning how to fish. My captain's name is Mike. I caught the most fish, catching at about 22 fish! The cookout was very delicious. I will look forward to 2013's youth fishing day. I hope you continue to have this exciting event in the future years!
