| <b>PROJECT SUMMARY:</b><br><br>The CCA Northern VA Chapter has teamed with Big Brothers and Big Sisters of the National Capital Area to take children fishing. This has been an annual activity since 2001, and has historically been funded entirely by chapter members and donations. We provide the opportunity for "Big Brothers and Big Sisters" to take the youth they are mentoring on a fishing excursion in the Chesapeake Bay. The total number of participants numbers 27-30. We target twelve to fourteen youth with their sponsors, and 2-3 CCA volunteers for instruction and supervision. Our intent is to provide disadvantaged youth with a safe and educational experience. CCA provides each youth with a rod, reel, tackle, and supervised instruction. Tee Shirts and Lunch are provided on the boat for the youth, chaperones, and volunteers. Many of these youth have never been fishing or had any experience on a boat. Some will never have this opportunity again. |   |                       |            |                   |  |            |          |               |         |        |         |              |          |        |         |           |          |     |         |               |            |              |          |               |         |              |  |                    |  |
