DESCRIPTIVE TITLE OF PROJECT:

Sunshine Program Fishing Days

PROJECT SUMMARY:

This year's project is an expanded version of the annual Sunshine Program Fishing event. Each year, this program becomes larger and more established in the community. The Salvation Army now includes every chapter in the Tidewater area in our event. For the past 5 years, the Sunshine Program has taken over 150 children on 4 head boat trips into the Chesapeake Bay and 100 children on the Harrison pier. This year, we are hoping to expand once again by including a fishing competition between the four chapters of the Salvation Army during the boat trips and pier event. Supporting the continual evolution of an established charitable fishing program, such as the Sunshine Program, increases the communities' awareness, knowledge and concern about the ecology of the Tidewater area. Service to 300+ children

EXPECTED BENEFITS:

1. Introduction of children to the fishing community.
2. Promotion of positive recreational activities for "at risk" children and adolescence.
3. Aiding children in understanding the Chesapeake Bay eco-system.
4. Encouraging mentoring contact between fishing adults and children
