Virginia Junior Angler Awards Program
sponsored by
Virginia Saltwater Fishing Tournament
a program of
Virginia Marine Resources Commission

Rules

1. All anglers 15 years of old, or younger, are eligible; the program will start January 1st and the 16th birthday of eligible anglers must not occur prior to this date. There no entry fees.
2. To qualify for a Virginia Junior Angler Award, an angler must catch and release six different eligible species of saltwater fish on rod and reel, while fishing in the marine waters of Virginia or while fishing in the Chesapeake Bay or the Atlantic Ocean. If fishing from a boat the vessel must leave and return to a Virginia port. There are no minimum size limits.
3. The angler must complete the reverse side of this card with all required information, including the name of the person who witnessed each catch-and-release, and mail it to the office of the Virginia Saltwater Fishing Tournament, Building 96, 380 Fenwick Road, Ft. Monroe, VA 23651, prior to December 31st. All anglers fulfilling these requirements will receive a certificate suitable for framing recognizing their accomplishments.
